A Message from the PCMA GMC President

On behalf of the PCMA Greater Midwest Chapter, I'd like to express my heartfelt gratitude for the industry's generous financial support of both the Chapter and the business events industry. The sponsorship and advertising contributions enable the Chapter to offer valuable educational resources, networking opportunities, and professional development programs.

This support helps the Chapter create a platform where business event strategists and industry suppliers can come together multiple times a year to foster and advance the profession.

Thank you for partnering with the PCMA Greater Midwest Chapter in 2026.

Sincerely,

Phillip Ridley, CMP
2026 President

Bowl Bash

Wine Pull & Silent Auction Donations

**Greater Midwest
Chapter**

Proceeds from these activities directly support PCMA GMC's mission to strengthen and build our community, funding valuable educational programming, networking opportunities, and initiatives that connect and empower our members.

We are seeking donations of wine, spirits, and champagne, as well as silent auction items to help raise funds at this year's event. Whether it's a favorite bottle of wine, a gift card, unique experience, event tickets, or specialty item, your generosity will help ensure the Bowl Bash is a success and our community continues to thrive.

How you can contribute:

Silent Auction Donations:

Contribute items such as experiences, services, tickets, or gift cards. Please note: all items should be digital. If donating a physical item or basket, please plan to arrange shipping after the event.

Complete this form to let us know what you will be donating.

Wine Pull Donations:

Provide a bottle (or more!) of wine, spirits, or champagne to be featured in our popular wine pull. **Complete this form** to let us know you will be donating. If you would like to provide a monetary donation toward purchasing wine, there is a place in the form for that.
